**BOARD OF EDUCATION BUSINESS MEETING**  
**Monday, May 14, 2018**

NOTE TO CITIZENS IN ATTENDANCE

The Board of Education conducts Business and Executive Meetings.

Business Meetings are those at which the Board of Education acts on the vast majority of items under its jurisdiction. The meetings are open to the public and citizens are allowed to speak. The Board welcomes comments from citizens. It does, however, respectfully suggest that citizens attempt to resolve concerns by speaking directly to school administrators before bringing it to the Board. Individuals with a relevant interest in the function or duties of the Board are invited to speak a maximum of two (2) minutes on any one issue. The Board has allocated a total of twenty (20) minutes for public comments. You are required to give your name and address before speaking.

Executive Meetings are conducted when the Board of Education must review and discuss confidential matters. By illustration, pending legal cases, personnel matters, and collective bargaining proposals are appropriate reasons for the Board to hold an Executive Session. These meetings are not open to the public.

**Mission Statement**

The Mission of the Pennsauken Public School District is to provide a safe, challenging, and enriching learning environment for all students that leads to academic success and the development of personal responsibility and self-directed lifelong learning needed to become contributing members of a diverse, global society.

The term of the Bonds is equal to or less than the average period of usefulness of the project being financed through the issuance of the Bonds. Interest on the Bonds shall be payable semi-annually on January 15 and July 15, commencing July 15, 2019, in each year until maturity or earlier redemption.

**Section 3.** The Bonds shall be in the form prescribed and permitted by the School Bond Law, as Bond Counsel may advise and as the School District shall approve. The Bonds shall be initially issued in registered book-entry-only form, and The Depository Trust Company, New York, New York ("DTC"), will act as securities depository for the Bonds. One certificate shall be issued for the aggregate principal amount of Bonds maturing in each year. Both the principal of and interest on the Bonds will be payable in lawful money of the United States of America. Each certificate will be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository ("Securities Depository"). The certificates will be on deposit with DTC. DTC will be responsible for maintaining a book-entry system for recording the interests of its participants and the transfers of the interests among its participants. The participants will be responsible for maintaining records recording the beneficial ownership interests in the Bonds on behalf of individual purchasers. Individual purchases may be made in the principal amount of \$5,000 through book-entries made on the books and the records of DTC and its participants. The principal of and interest on the Bonds will be paid to DTC by the School District, or its hereinafter designated paying agent, on the respective maturity dates and due dates and will be credited on the respective maturity dates and due dates to the participants of DTC as listed on the records of DTC as of the first (1st) day of the calendar month containing an interest payment date. The Bonds will be executed on behalf of the School District by the manual or facsimile signature of the President of the Board or Vice President of the Board, attested by the manual or facsimile signature of the Business Administrator/Board Secretary (such execution shall constitute conclusive approval by the School District of the form of the Bonds), and shall bear the affixed, imprinted or reproduced seal of the School District thereon.

**Section 4.** The School District is hereby authorized to make representations and warranties, to enter into agreements and to make all arrangements with DTC, as may be necessary in order to provide that the Bonds will be eligible for deposit with DTC, and to satisfy any obligation undertaken in connection therewith.

**Section 5.** In the event that DTC may determine to discontinue providing its service with respect to the Bonds or is removed by the School District and if no successor Securities Depository is appointed, the Bonds which were previously issued in book-entry form shall be converted to registered bonds in denominations of \$5,000, or any integral multiple thereof, or the necessary odd denomination ("Registered Bonds"). The beneficial owner under the book-entry system, upon registration of the Bonds held in a beneficial owner's name, will become the registered owner of the Registered Bonds. The School District shall be obligated to provide for the execution and delivery of the Registered Bonds in certified form.

**Section 6.** The Bonds maturing on and after July 15, 2026 are subject to redemption prior to their stated maturity dates at the option of the School District, upon notice as set forth below, as a whole or in part (and, if in part, such maturities as the School District shall determine and within any such maturity by lot) on any date on or after July 15, 2025, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, plus accrued interest to the redemption date.

**Section 7.** Notice of redemption shall be given by mailing first class mail in a sealed envelope with postage pre-paid not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to the owner of every Bond of which all or a portion is to be redeemed at his or her last address, if any, appearing on the registration books of the School District, or its hereinafter designated paying agent. So long as the Bonds are issued in book-entry-only form, all notices of redemption will be sent only to DTC and not be sent to the beneficial owners of the Bonds. Failure of an owner of the Bonds to receive such notice or of DTC to advise any participant of any failure of a participant to notify any beneficial owner of the Bonds shall not affect the validity of any proceedings for the redemption of the Bonds. Such notice shall specify: (i) the series and maturity of the Bonds to be redeemed; (ii) the redemption date and the place or places where amounts that are due and payable upon such redemption will be payable; (iii) if less than all of the Bonds are to be redeemed, the letters and numbers or other distinguishing marks of the Bonds to be redeemed; (iv) in the case of a Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed; (v) that on the redemption date there shall become due and payable with respect to each Bond or portion thereof to be redeemed the redemption price; and (vi) that from and after the redemption date interest on such Bonds or portion thereof to be redeemed shall cease to accrue and be payable.

**Section 8.** The preparation of a preliminary official statement ("Preliminary Official Statement") relating to the Bonds, and the distribution (in physical and/or electronic form) of said Preliminary Official Statement to prospective purchasers of the Bonds and others having an interest therein, are hereby authorized and directed. The President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to deem the Preliminary Official Statement "final", as contemplated by paragraph (b)(1) of Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended ("Rule 15c2-12").

**Section 9.** The Business Administrator/Board Secretary is hereby authorized to solicit proposals for, and to engage the services of, one or more firms (collectively, the "Printer") to provide for the electronic and/or physical dissemination of the Preliminary Official Statement and Official Statement (hereinafter defined) and to provide electronic bidding services associated with the sale of the Bonds, all pursuant to and in accordance with the provisions of the School Bond Law and the regulations promulgated thereunder. The Business Administrator/Board Secretary is hereby authorized to enter into agreement(s) with the Printer for the services to be provided.

**Section 10.** Pursuant to Section 36 of the School Bond Law, *N.J.S.A. 18A:24-36*, the Business Administrator/Board Secretary is hereby authorized and directed to award and sell the Bonds at electronic public sale. The sale of the Bonds shall be in accordance with the provisions of the School Bond Law and the advertised terms of such public sale. The Business Administrator/Board Secretary is hereby authorized and directed to cause a notice of sale and summary notice of sale in connection with the Bonds to be prepared and published in accordance with Section 36 of the School Bond Law, *N.J.S.A. 18A:24-36*. If necessary or desirable, the Business Administrator/Board Secretary is hereby authorized to postpone, from time to time, the date and time established for receipt of bids for the sale of the Bonds in accordance with the School Bond Law. If any date fixed for receipt of bids and the sale of the Bonds is postponed, the Business Administrator/Board Secretary is hereby authorized to announce an alternative sale date at least forty-eight (48) hours prior to such alternative sale date. At the next meeting of the Board after the award and sale of the Bonds, the Business Administrator/Board Secretary shall report, in writing, to the Board, the principal amount, the rate of interest, the maturities, the dates upon which interest on the Bonds shall be paid, the price and the purchaser or purchasers of the Bonds.

**Section 11.** The preparation of a final official statement ("Official Statement") is hereby authorized and directed. Within seven (7) business days of the sale of the Bonds, but in no event later than five (5) business days prior to the settlement thereof, the School District will deliver sufficient copies of the Official Statement to the purchaser of the Bonds in order for the same to comply with Paragraph (b)(4) of Rule 15c2-12. The President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to execute the Official Statement in final form, and

the distribution thereof to purchasers and others is hereby authorized and directed. The execution of the Official Statement by the President of the Board, Vice President of the Board, Superintendent of Schools or Business Administrator/Board Secretary shall constitute conclusive evidence of approval by the Board of the changes therein from the Preliminary Official Statement. The Business Administrator/Board Secretary is hereby authorized to approve any amendments or supplements to the Official Statement.

**Section 12.** The Bonds shall be a general obligation of the School District. The full faith and credit of the School District are irrevocably pledged to the punctual payment of the principal of and interest on the Bonds and, to the extent payment is not otherwise provided, the School District shall levy *ad valorem* taxes on all taxable real property without limitation as to rate or amount for the payment thereof.

**Section 13.** The Bonds shall be entitled to the benefits of the New Jersey School Bond Reserve Act, Chapter 72 of the Laws of 1980 of the State of New Jersey, as amended, and shall bear the legend set forth in Section 6 thereof, *N.J.S.A.* 18A:56-20.

**Section 14.** In order to assist the underwriters of the Bonds in complying with the secondary market disclosure requirements of Rule 15c2-12, the President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to execute on behalf of the School District prior to the issuance of the Bonds an agreement providing for the preparation and filing of the necessary reports in accordance with Rule 15c2-12.

**Section 15.** The President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to solicit proposals for, and engage the services of, a qualified financial institution to serve as paying agent for the Bonds ("Paying Agent"). The President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to enter into an agreement with the Paying Agent for the services to be provided.

**Section 16.** The School District hereby covenants that it will not make any use of the proceeds of the Bonds or do or suffer any other action that would cause: (i) the Bonds to be "arbitrage bonds" as such term is defined in Section 148(a) of the Internal Revenue Code of 1986, as amended ("Code") and the Regulations promulgated thereunder; (ii) the interest on the Bonds to be included in the gross income of the owners thereof for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code.

**Section 18.** To the extent not otherwise exempt, the School District hereby covenants that it shall make, or cause to be made, the rebate required by Section 148(f) of the Code in the manner described in Treasury Regulation Sections 1.148-1 through 1.148-11, 1.148-11A, 1.149(b)-1, 1.149(d)-1, 1.149(d)-1A, 1.149(g)-1, 1.150-1, 1.150-1A and 1.150-2, as such regulations and statutory provisions may be modified insofar as they apply to the Bonds.

**Section 21.** All actions heretofore taken and documents prepared or executed by or on behalf of the School District by the members of the Board, Superintendent of Schools, Business Administrator/Board Secretary or by the School District's professional advisors, in connection with the issuance and sale of the Bonds, are hereby ratified, confirmed, approved and adopted.

**Section 22.** The President of the Board, Vice President of the Board, Superintendent of Schools and Business Administrator/Board Secretary are each hereby authorized to determine all matters and execute all documents and instruments in connection with the Bonds not determined or otherwise directed to be executed by the School Bond Law, or by this or any subsequent resolution, and the signatures of the President of the Board, Vice President of the Board, Superintendent of Schools or Business Administrator/Board Secretary on such documents or instruments shall be conclusive as to such determinations.

**Section 23.** All other resolutions, or parts thereof, inconsistent herewith are hereby rescinded and repealed to the extent of any such inconsistency.
